

Shipbuilders Credit Union's online account access portal has a new format. Here's a peek at how things look. The old format will be phased out by July 31, 2017.

Sign in to your account using the same Username and Password as before.

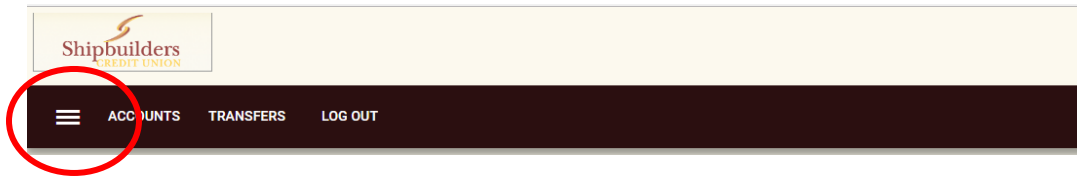

The screenshot shows the top navigation bar with the Shipbuilders Credit Union logo on the left, an AdQue advertisement in the center, and a "OUR HOMEPAGE" link on the right. The main content area features a "Sign In" form with two input fields: "Username" and "Password". Below the fields are two buttons: "SIGN IN" and "FORGOT PASSWORD".

Use the same Graphic Word and Confirmation Word as before.

The screenshot shows the bottom section of the login process. It includes the Shipbuilders Credit Union logo and "OUR HOMEPAGE" link. The main content area is divided into three sections: "Captcha security" with a graphic word image and an input field labeled "Enter your graphic word"; another "Captcha security" section with a "Confirmation Word" label and an input field labeled "Enter your confirmation word"; and a "Device Registration" section with explanatory text and a checkbox labeled "Register device". At the bottom, there is a "CONTINUE" button and a note: "All fields must be completed to submit".

The menu can be accessed from the left side of the toolbar.

Click on the bars and the menu will expand. Some commonly used links are circled in red...

Transfer Help

Scheduled Transfers

To setup an automatic transfer just setup a transfer with a start date and a frequency (2 weeks for example) and your transfer will happen automatically every 2 weeks beginning on your start date. You may add, edit, or delete an automatic transfer at any time (certain automatic transfers may not be maintainable online)

Ineligible Suffixes

Some suffixes may be ineligible for transfers. Reasons could include: the suffix is closed, insufficient funds, the suffix type doesn't permit transfers, regulations, and other credit union policies.
